

Performing the music of Thin Lizzy and the legendary Phil Lynott. Twin Lizzy are a 4 piece tribute to Thin Lizzy and their iconic frontman Phil Lynott.

The band faithfully recreates the energy and power of arguably one of the greatest rock bands of all time and has been described as the closest sounding tribute to the music of Thin Lizzy. Unlike other Thin Lizzy tribute acts Twin Lizzy incorporate a number of Phil Lynott's solo numbers and lesser known but loved Thin Lizzy album tracks and can provide a show which features the whole Live and Dangerous album in running order all ensuring an audience does not see the same show twice.

Formed in 2018 the band consists of established and seasoned musicians who have performed in well known tribute acts and original signed bands.

If necessary the band comes self-contained carrying a full PA rig and lighting system controlled by our own dedicated sound and lighting engineer.
